

THIS AGREEMENT IS SUBJECT TO ARBITRATION PURSUANT TO THE SOUTH CAROLINA UNIFORM ARBITRATION ACT, SECTION 15-48-10 ET. SEQ. OF THE CODE OF LAWS OF SOUTH CAROLINA

Standard Terms and Conditions

These Standard Terms and Conditions (“Terms”) apply to products sold by TPM, INC. (“Service Provider”), a South Carolina corporation, to the client (“Client”). These Terms, together with any related quote, proposal or purchase order shall constitute the entire agreement (the “Agreement”) between the parties. The parties hereby agree as follows:

1. **Products Provided.** The products to be covered by these Terms (each a “Product” or collectively the “Products”) are set forth in one or more quotes, proposals or purchase orders between Service Provider and Client. In the event Client chooses to order additional products from Service Provider utilizing Service Provider’s website, these Terms, as contained on such website as of the date of such order, shall apply to any such products ordered. These Terms are subject to any additional Hardware Services Agreement, Consulting Agreement, or other agreement(s) (the “Ancillary Agreements”) between Service Provider and Client.

2. **Price and Payment.** The price for the Products may be set forth (a) in one or more quotes or proposals, (b) in a purchase order, or (c) on Service Provider’s website. The price provided in a quote or proposal is valid for thirty (30) days, unless otherwise provided in such quote or proposal. Client shall be responsible for the cost of shipping any Product(s), if applicable, in addition to the price of such Product(s). If Client has an existing or creates an approved account with Service Provider (an “Account”), Client’s Account will be billed monthly for the Products or services provided to date under this Agreement or any Ancillary Agreement with Service Provider. Each payment term is net thirty (30) days, unless otherwise provided in an applicable quote, proposal or purchase order. If Client does not have an existing Account and elects not to open an Account, Client must pay for each Product at the time of such Product’s delivery to Client. Payment may be made by cash, cashier’s check, wire or credit card. Payments by cash or cashier’s check should be remitted to TPM, Inc., P.O. Box 6705, Greenville, South Carolina 29606. Payments made by wiring funds should be routed to Bank Routing Number (ABA) 021052053, Account Number 68436126. Payments made by credit card in excess of One Thousand Five Hundred Dollars (\$1,500), excluding tax, shall be assessed a fee equal to three percent (3%) of the payment amount. Failure to pay within the specified terms may, at the option of Service Provider as may be exercised by Service Provider’s written notice to Client, result in (i) the imposition of interest charges at 1.5% per month (or the highest charges allowed by law, whichever is lower) and/or (ii) the termination or suspension of Service Provider’s obligations under this Agreement and any Ancillary

Agreement with Client. All sales and use taxes shall be added to the invoice(s). In the event Client claims exemption from sales and use taxes, Client must provide Service Provider with the appropriate tax exemption certificate from the relevant taxing authority.

3. **Delivery.** Unless otherwise provided in an applicable quote, proposal, or purchase order, delivery of the Products will occur within ten (10) business days of the execution of the Agreement.

If Service Provider is required to remit any fee, tax, or duty on behalf of or for the account of Client, Client will reimburse Service Provider within ten (10) business days after Service Provider notifies Client in writing of such remittance.

8. **Limitation of Liability.** Service Provider’s liability under this Agreement is limited to the actual direct damages incurred by Client and shall in no event exceed the

amount paid for the Products. In no event shall Service Provider be liable for any incidental, consequential, special, indirect, punitive or third party damages or claims, including but not limited to, lost profits, lost savings, lost productivity, loss of data, and loss from interruption of business, even if previously advised of their possibility and regardless of whether the form of action is in contract, tort or otherwise.
